

We have received reports of parking difficulties in zone G and requests to extend the hours of operation and include Sundays.

The proposals for zone G would extend the days and times of the bays from 9am to 6pm Monday to Saturday to 9am to 8pm Monday to Sunday. It should be noted that if this goes ahead the cost of resident permits would increase to cover the additional enforcement resources this would require. Proposed costs would be in line with other parking zones with the same enforcement times, and can be seen below.
