EAST SUSSEX COUNTY COUNCIL (PROHIBITION AND RESTRICTION OF WAITING, NO STOPPING, LOADING, UNLOADING AND PARKING PLACES) (ROTHER DISTRICT CONSOLIDATION) ORDER 2025 AMENDMENT NO * 202*

Statement of Reasons

Following the consultation and advertising of the **EAST SUSSEX COUNTY COUNCIL (PROHIBITION AND RESTRICTION OF WAITING, NO STOPPING, LOADING, UNLOADING AND PARKING PLACES) (ROTHER DISTRICT CONSOLIDATION) ORDER 2025 AMENDMENT NO * 202*** the Order was presented to planning committee in February 2026. The Committee resolved to make the TRO in part and to not uphold the objections to the proposed zone F.

We have become aware of an error with advertising the parking charges for zone F. When the proposals for zone F were advertised and consulted on the proposed charges were not included. This means we need to consult on the paid parking charges before the permit zone can come into effect.

The Council considers the proposed Order to be expedient for regulating or restricting the use of on-street parking places.

In proposing to make the above Order, the Council has given thorough consideration to the factors set out in Section 122 of the Road Traffic Regulation Act 1984 (as amended). This requires the local authority to secure (so far as practicable having regard to the following matters hereinafter listed) the expeditious, convenient and safe movement of traffic (including pedestrians) and the provision of suitable and adequate parking facilities on and off the highway.

In carrying out this exercise the Council must have regard to the:

- I. Desirability of securing and maintaining reasonable access to premises.
- II. The effect on the amenities of any locality effected and (without prejudice to the generality of this paragraph) the importance of regulating and restricting the use of roads by heavy commercial vehicles, so as to preserve or improve the amenities of the areas through which the roads run.
- III. The strategy prepared under Section 80 of the Environment Act 1995 (the national air quality strategy). The importance of facilitating the passage of public service vehicles and of securing the safety and convenience of persons using or desiring to use such vehicles.
- IV. Any other matters appearing to the local authority to be relevant
