Subject IM-0131 – South Street, Eastbourne – Bus Stop Relocation Scheme

Map Reference See attached Drawing No. IM-0131-BBLP-HGN-DR-CH-100-0504.

Route No

As part of the South Street Bus Stop Relocation Scheme in Eastbourne, the existing bus stop in South Street will be relocated from outside Simply Patisserie to outside Hart Reade Solicitors, between Wish Road and Hardwick Road. This will improve pedestrian accessibility and traffic flow within South Street, creating a safer and more attractive town centre environment, continuing the ongoing programme of improvements within Eastbourne.

The following physical measures requiring new Traffic Regulation Orders are proposed:-

- 1) Relocation of the existing bus stop from outside Simply Patisserie to outside Hart Reade Solicitors, between Wish Road and Hardwick Road.
- 2) Changes to parking restrictions along South Street. This will include:
 - Removal of 24 metres of parking bays in South Street between Hardwick Road and Wish Road. This equates to approximately 4 to 5 vehicles.
 - Introduction of 18.9 metres of parking bays in South Street between Cornfield Lane and Wish Road.
 - Relocation of Permit Holders (Zone G) or Pay and Display bays (Monday to Saturday, 8am–6pm, maximum stay 2 hours, no return within 1 hour) from South Street between Hardwick Road and Wish Road to South Street between Cornfield Lane and Wish Road.
 - Introduction of a 6.6 metre Blue Badge Holders Only parking (maximum stay 3 hours, no return within 2 hours) in South Street between Cornfield Lane and Wish Road.
- 3) Introduction of a “No Stopping at Any Time Except Buses” restriction in South Street between Hardwick Road and Wish Road.

The works all fall within the Public Highway.

Informal consultation on the proposals has been undertaken, and comments received from the Statutory Consultees have been addressed and, where appropriate, reflected in the final design.

The proposals have been subject to an independent Road Safety Audit.

YOUR AUTHORITY IS REQUESTED to formally advertise the proposal to introduce the above changes to the existing TRO and, subject to no objections being upheld, to introduce the Traffic Regulation Orders.
